PROFILE

I am an engineering student enrolled at UBC Vancouver. I'm team oriented, hardworking, and disciplined. My employment history is indicative of my loyalty and my education is indicative of my ambition and motivation to elicit change.

EXPERIENCE

McDonald's – Crew Trainer

2019-2023

- Performed hundreds of POS transactions daily
- Delegated tasks as required throughout shifts.
- Trained newly hired crew while facilitating their growth.
- Assisted and solved dozens of customer concerns daily.

Canadian Tire – Tools and Hardware

2021

- Required thorough knowledge and communication with customers and coworkers.
- Dealt with at most two dozen customers daily in facilitating their hardware needs.

VOLUNTEER

Classroom Assistant; Pitt Meadows Elementary

- Facilitated children's learning regarding reading, writing, and mathematics.
- Ultimately teaching children who were behind how to learn more effectively.

City of Pitt Meadows

- Have assisted in some Pitt Meadows community events like 'Christmas in Pitt Meadows.'

- Currently continue to volunteer throughout the summer.

Engineering Undergraduate Society – First Year Council Vice President

- Facilitated hosting and creation of events, managing a substantial budget of nearly \$10,000 with the assistance of the First Year Council.
- Worked with professors and faculty to voice student feedback and concerns.
